

BINGO!

How to Play in Three EASY Steps:

Step 1

Enclosed in your Virtual Education Conference mailer is a Bingo! card. **Label your card** with your name or organization.

Step 2

Attend your virtual conference! Pay attention during workshops and watch the Question and Answer Chat Function that accompanies each session. Our hosts will send the animals listed on your Bingo! card to each screen. When an animal on your Bingo! card pops up in the chat feature, **mark it off** on your card.

Step 3

When you get a line or a Bingo!, **send a picture** of your card to events@ingaged.ca so we can register your ballots right away. A line will win you four ballots; a true Bingo! will win you ten!

- » Ballots are drawn at the end of each day for Daily Prizes, and at the end of the conference for one Grand Prize!
- » Remember to send in your Bingo! or winning lines right away! During the conference, we can still accept them the next day, but you might miss out on a Daily Prize!
- » To be entered for the Grand Prize, photos of Bingo! cards must be sent in before 5PM the last day of the conference. Bingo! can't be played after the conference is completed.
