An Inside Job - Solutions From Within

Tues. March 19 – Wed. March 20, 2019

Chelsea Hotel Toronto | 33 Gerrard Street West | Toronto, ON

"An Inside Job" is presented by Nokiiwin Tribal Council's G'minoomaadozimin "We Are Living Well" initiative. G'minoomaadozimin focuses on restoring our community health and wellness through our values and teachings. This workshop will help participants develop a First Nation-centric program that builds on "Our Respectful Community (Zero Tolerance)" in response to newly enacted federal legislation on Workplace Violence and Harassment. We welcome our partners and others to participate in this timely conversation.

Based on the Seven Grandfather Teachings, the workshop will provide information, identify strategies, and develop tools to prevent and address harassment and violence in the workplace, at home, and in the community.

Nokiiwin will sponsor one delegate (travel, accommodation, and registration) from each First Nation in Ontario.
