G'minoomaadozimin – We Are Living Well

The G'minoomaadozimin "We Are Living Well" Health & Safety initiative is aimed to enhance the health and safety reach to vulnerable workers, families and communities, shift attitudes and behaviour, and to create a First Nation centric health and safety culture.

Our Respectful Community Policy is based on the Seven Grandfather Teachings and is our depiction of the legislated Zero Tolerance policies on violence. The goal of the G'minoomaadozimin Steering Committee is to have all Member First Nation communities adopt the Our Respectful Community policy. The visual captures the teachings and the intention for how each of us respects one another, our workplace, and our community.

Meaning Expressed within the picture: The image was done using an Infant, Child, Adult & Elder in a traditional canoe, denoting a return to cultural ways & values. The six circles represent each community being serviced. The Eagle watches over us. On the Medicine Wheel we are moving forward in one direction in unison"
